All of the darkness of this human life
Is enlightened by the light that I am
The essence of all, the essence of all
You're the one that I bow down to

And I am the light – I am the light
And I am the way – I am the way
And I am the truth of who I am, I am that I

May we spread peace (Gaiatrees)

May we spread peace all over the world
May we find love wherever we go
May we stay connected whatever comes
May we always remember that we are one

We are one (4x)

One heart, one soul, one family
One breath, one life, eternity
One song, one sacred dance,
To one another we belong

One, One, One, One, One, One, One

O great Spirit (Michael Stillwater)

Deep in my heart
O great Spirit
Deep in my heart is a song of prayer, o great
spirit you are always there

I am life, I am ever free
I am light throughout eternity
To this world we have chosen to come, we
are ever one
We contain the universe, for this memory
we thirst together, let us remember

Step by step

Step by step and breath by breath
a little deeper, a little closer.
Kiss by kiss and song by song
a little deeper, a little closer
inside me, inside you, inside god, inside it all

Mit jedem Kuss und jedem Lied,

Stillness in motion (Lulu & Mischka)

I am one with the earth
that keeps turning
One with the stars that shine
One with the waves that are ocean
One with the light that I see in your eyes

I am the waves, I am the ocean
I am stillness in motion

Song of Love (Gaiatrees)

Every breath I take is a song of Love, and
every step I make is a prayer to God, and
every act I do is a sign of devotion – to life
to life in motion.
